Youth Ministry

Our Youth Ministry exits to fan into flame what the Lord is doing among the 6th - 12th grade students in this region. We meet weekly to hear from the Lord, praise Him, pray, and have a blast together. We also plan monthly outings that engage the various passions God has put into our hearts. Yearly retreats and mission opportunities are also central to how we structure each year. Current happenings are distributed via the Youth Ministry email list. Please email Michael to be added to that distribution list, michael@sjpres.org

REMEMBER THAT NEW YEAR RESOLUTION YOU MADE TO TRY NEW THINGS?

14th annual colorado dulcimer festival

Come and learn how to play, or improve your current technique on the Mountain or Hammered Dulcimer. This is an entertaining, educational festival with 2 days of workshops on February 2 and 3rd, 2017. Classes are available for absolute beginners to advanced players.

Rental Instruments are available. There are multiple jam sessions on both days and concerts both evenings. We have out of state guest teachers, nationally known players (and 3 national champions!) who teach both instruments, and also wonderful local teachers.

A returning popular feature that premiered last year will be a contra dance where participants can play in the band or dance (no previous experience required!). The Colorado Dulcimer Orchestra will also perform. Concerts are open to the public, with tickets available at the door both nights (concerts will be from 7-9:30 pm).

If you are curious to hear or are interested in learning either of these wonderful instruments, attend the workshops and/or come to the concerts!

Information on costs, further details and registration at <http://www.coloradodulcimerfestival.com>

Do You Have Medical Experience?

St. James is searching for someone with medical experience that attends the second service on a regular basis. This could include previous work as a doctor, EMT, nurse, etc. or someone with CPR and First Aid certification. We simply would like to know who can be called on should an emergency ever occur. If this is you, please send an email to Destiny at destiny@sjpres.org.

A LENS OF STEWARDSHIP...

Christian stewardship is the faithful management of all that God gives so that God can use our gifts to transform us spiritually and to extend Christ's transforming love to others. (2 Corinthians 9:11-13). Happy New Year to you all and my God Bless you richly this year.
